WELCOME

SAFFRON
SCREEN

As the nights begin to draw in, we have plenty of thrills, fun and fascination to share with you, so join us at the cinema.

We are celebrating many **anniversaries**: India at 70 with a duet of **Indian films** – a classic Bollywood drama and a contemporary study – plus the 50th birthdays of **The Graduate** and **Belle de Jour** and **Howard's End** at 25. We hope you enjoy all of these fine films on the big screen.

Our desire to make the cinema accessible to everyone in our community continues with our **Dementia-friendly screenings**. These are open to all but particularly aim to welcome people living with dementia and their family, friends and carers. The lights will remain on low and moving around and noise are accepted (particularly during the musical numbers!). There will be an interval, tea and biscuits. Please let us know what you think.

We have some keen fans of Japanese **anime** and are delighted to bring you two fabulous new films in this programme: **Napping Princess** and **The Boy and the Beast**. We'll only be showing these films once so please tell your friends – we wouldn't want anyone to miss them!

But we start the programme with a celebration of celluloid and a screening of **Dunkirk** on 35mm, and the following weekend we will host a very special screening in Saffron Walden's Town Hall where we will be recreating Seb's bar, listening to Joanna Eden sing and screening **La La Land**. Long live all aspects of cinema!

DUNKIRK

THE MIDWIFE

MAUDIE

THE BEGUILLED (15)

Fri 1st & Sat 2nd 8pm

DIRECTOR Sofia Coppola

CAST Colin Farrell, Nicole Kidman, Kirsten Dunst, Elle Fanning

SCREEN TEST The arrival of a handsome and mysterious wounded soldier (Farrell) creates ripples of excitement — and danger — among a group of young women living in a boarding school on the edge of an American Civil War battlefield. This atmospheric feminist take on the Southern Gothic revenge tale with its superb cast won Coppola (*Lost in Translation*) the Best Director prize at Cannes this year. (2017 USA 94 mins)

CAPTAIN UNDERPANTS: THE FIRST EPIC MOVIE (U)

Sat 2nd, Sun 3rd & Sat 9th 3pm Sun 10th & Sat 23rd 2pm

DIRECTOR David Soren

VOICES Kevin Hart, Ed Helms, Thomas Middleditch, Nick Kroll

SCREEN TEST An unexpected treat! This raucously funny animation, based on the bestselling book, tells the story of two schoolboy pranksters who hypnotise their headmaster into thinking he is a ridiculously enthusiastic, dim-witted superhero, Captain Underpants. Chaos ensues. Of course there are plenty of fart jokes, but the film is also a celebration of friendship and the boundless creativity of children's minds. Silly, subversive and enormous fun for all ages. (2017 USA 89 mins)

Drop in workshop before the screenings on Sat 9th and Sat 23rd.

THE GRADUATE (12A)

Sun 3rd 8pm

DIRECTOR Mike Nichols

CAST Dustin Hoffman, Anne Bancroft, Katharine Ross, William Daniels

SCREEN TEST Back in cinemas with a new digital restoration, this glorious portrait of 1960s America still delights half a century on. Directionless graduate Benjamin (Hoffman) becomes romantically entangled with both the predatory Mrs Robinson (Bancroft) and her daughter Elaine (Ross). This film earned Nichols a Best Director Oscar, introduced the music of Simon & Garfunkel to a wider audience, and featured one of the most famous seductions in movie history. (1967 USA 101 mins)

CITY OF GHOSTS (18)

Mon 4th 8pm

DIRECTOR Matthew Heineman

SCREEN TEST When their city was taken over by ISIS in 2014, a group of anonymous Syrian activists banded together under the name 'Raqqa is Being Slaughtered Silently' and dedicated themselves to informing the world through social media. Award-winning filmmaker Heineman (*Cartel Land*) follows these citizen journalists as they face the realities of life undercover, on the run and in exile, risking their lives to expose the horrors of life under ISIS rule. A remarkably timely documentary about power, media tactics and the enduring influence of journalists and activists. (2017 USA 92 mins)

Followed by a hosted discussion.

JOHN LE CARRÉ – AN EVENING WITH GEORGE SMILEY

DUNKIRK (12A)

DIRECTOR Christopher Nolan

CAST Fionn Whitehead, Tom Hardy, Mark Rylance, Kenneth Branagh, Harry Styles

SCREEN TEST In May 1940, Germany advanced into France, trapping Allied troops on the beaches of Dunkirk. Under air and ground cover from British and French forces, troops were evacuated from the beach using every serviceable naval and civilian vessel. Nolan's gripping film tells this story, interweaving the action on the beach, in the air and at sea, set to a brilliant score from Hans Zimmer — this has to be seen on the big screen. (2017 UK/Neth/Fr/USA 106 mins)

Screening in 35mm on Friday 8th September.

THE MIDWIFE (Sage femme) (12A)

Mon 11th 8pm

DIRECTOR Martin Provost

CAST Catherine Deneuve, Catherine Frot, Olivier Gourmet, Quentin Dolmaire

SCREEN TEST In this sparkling French drama, Frot plays a sensible midwife whose orderly life is thrown into disarray when her late father's flighty lover (Deneuve) gets in touch, thirty years after disappearing without a trace. Despite being opposites in every way, the pair develop a friendship. Humour and mischief combine in this enjoyable portrait of two women who embrace the need for change. (2017 Fr 117 mins Subtitled)

DAVID GILMOUR LIVE AT POMPEII

MAUDIE (12A)

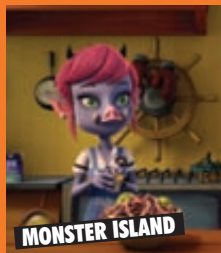

Fri 15th & Sat 16th 8pm

DIRECTOR Aisling Walsh

CAST Sally Hawkins, Ethan Hawke, Kari Matchett, Zachary Bennett

SCREEN TEST Hawkins gives a wonderfully heartfelt performance as Maud Lewis who, despite crippling rheumatoid arthritis, became one of Canada's most celebrated artists. Living with her unsympathetic aunt, she answers an ad for a housekeeper from a local fish pedlar (Hawke) and, two social outcasts together, they form a bond. Set against stunning scenery, this film is an inspiring story of an artist and a moving exploration of the human heart. (2016 Ire/Can 116 mins)

Friday's screening is followed by a Q&A with the director, Aisling Walsh.

Rising star Lowden gives a tremendous performance as a young man brimming with youthful arrogance but searching to find his place in the musical world. (2017 UK 94 mins)

THE DEATH OF LOUIS XIV (La mort de Louis XIV) (12A) Mon 18th 8pm

DIRECTOR Albert Serra
CAST Jean-Pierre Léaud, Patrick d'Assumçao, Marc Susini, Bernard Belin
SCREEN TEST King Louis XIV is on his deathbed, waited on by hapless servants and doctors. Starring French New Wave legend Léaud (the young star in Truffaut's *The 400 Blows*), this is a darkly funny, painstakingly detailed portrait of the final days of a monarch forced to confront his own mortality. Beautifully photographed and featuring a superb, career-capping performance from Léaud. (2016 Fr/Sp/Port 115 mins Subtitled)

Interweaving fictional scenes with news footage, the film focuses on the 'Algiers Motel incident' in which three white police officers and one black security guard were accused of murdering three black civilians and savagely beating many more. FINAL PORTRAIT (15)

Sun 1st 8pm

DIRECTOR Stanley Tucci

CAST Geoffrey Rush, Armie Hammer, Clémence Poésy, Sylvie Testud

SCREEN TEST Coinciding with the vast retrospective at London's Tate Modern, this timely portrait of celebrated artist Alberto Giacometti is dominated by a superb central performance from Geoffrey Rush. Writer-director Tucci's film focuses on a few weeks in Paris in 1964 when the Swiss sculptor asked young American art critic James Lord to sit for him, and distils this brief moment into an amusing, sophisticated and insightful film about art, life and love. (2017 UK 90 mins)

LAND OF MINE (Under sandet) (15)

Mon 2nd 8pm

DIRECTOR Martin Zandvliet

CAST Roland Møller, Mikkel Boe Følsgaard, Louis Hofmann, Joel Basman

SCREEN TEST In 1945 as the Nazi occupying forces leave Denmark, a group of German POWs, barely out of boyhood, are forced to clear the Danish beaches of German landmines. Initially antagonistic, the young prisoners and the Danish sergeant in charge of the mission begin to form a bond. Exploring the moral grey areas between justice and vengeance, this beautiful, Oscar-nominated drama generates moments of chilling suspense and works as both a timeless observation about conflict and forgiveness and a gripping thriller. CAST Channing Tatum, Adam Driver, Daniel Craig, Riley Keough

SCREEN TEST Marking Soderbergh's return to the big screen, this heist caper follows the Logan brothers (Tatum and Driver) who, down on their luck in the American South, get an idea so stupid and yet so brilliant that it might just set them up for life: to rob the local stock car racing track on its biggest day of the year. With the help of Joe Bang (a platinum-coiffed Daniel Craig), the brothers plot their daring raid. Super slick and great fun, this comic thriller brims with energy and wit. (2017 USA 119 mins)

AN INCONVENIENT SEQUEL: TRUTH TO POWER (PG)

Sat 7th & Sun 8th 5pm

DIRECTORS Bonni Cohen, Jon Shenk

SCREEN TEST A decade after Al Gore's *An Inconvenient Truth* shocked the world into taking climate change seriously, this follow-up is a timely reminder of how much work remains to be done. Cameras follow the former Vice-President as he campaigns around the world, revealing both the public and private moments of a man on a mission. At a time when climate change denial is at the top of world politics, this riveting and impassioned documentary has never been more necessary. (2017 USA 98 mins)

GOD'S OWN COUNTRY (15)

Sun 8th & Mon 9th 8pm

DIRECTOR Francis Lee

CAST Josh O'Connor, Alec Secareanu, Gemma Jones, Ian Hart

SCREEN TEST A wonderfully performed and impressively unsentimental story of love and longing in the Yorkshire Pennines. Young sheep farmer Johnny numbs his daily frustrations with binge drinking and casual sex, until the arrival of Romanian migrant worker Gheorghe for lambing season ignites an intense relationship. This is one of the best British films of the year, broodingly beautiful in its portrayal of rural life and the search for love and intimacy. (2017 UK 105 mins)

ROUGH NIGHT (15)

SCREEN TEST Aspiring politician Jess (Johansson) reunites with four old college friends for a wild hen weekend in Miami. But things go terribly wrong when a male stripper accidentally dies in their apartment and they have to decide what to do with the body. A raunchy comedy about female friendships that proves that women can compete with the men in the gross-out humour stakes. There's a great dynamic between the female leads and plenty of real belly laughs. (2017 USA 101 mins)

THE NUT JOB 2: NUTTY BY NATURE (U)

THE LIMEHOUSE GOLEM (15) **Sat 14th & Sun 15th 8pm**

DIRECTOR Juan Carlos Medina
CAST Bill Nighy, Olivia Cooke, Daniel Mays, Douglas Booth
SCREEN TEST A Gothic murder mystery set in late Victorian London, adapted by Jane Goldman (*Kingsman, Kick-Ass*) from Peter Ackroyd's novel. Nighy plays a Scotland Yard detective investigating a series of gruesome murders by a Jack the Ripper style figure. His key lead is music-hall actress Elizabeth (Cooke). Vividly shot and lit up by Goldman's witty script and the cast's uniformly terrific performances, it is both a refreshingly feminist take on a classic genre and an immensely satisfying watch. (2016 UK 109 mins)

THE ODYSSEY (L'Odysée) (PG) **Mon 16th 8pm**

DIRECTOR Jérôme Salle
CAST Lambert Wilson, Audrey Tautou, Pierre Niney, Laurent Lucas
SCREEN TEST This lavish and handsomely crafted biopic tells the story of the celebrated oceanographer Jacques Cousteau. Spanning roughly 30 years, it follows the Frenchman's evolution from eccentrically ambitious naval officer to internationally revered explorer and ecologist viewed through the prism of his relationship with his wife and son. The dazzling cinematography of Matias Boucard captures the awe and wonder of the aquatic world that Cousteau introduced to his audiences. (2016 Fr 120 mins Subtitled)

VICTORIA AND ABDUL (12A tbc) **Fri 20th & Sat 21st 8pm** **Sun 22nd 5pm & 8pm Wed 25th & Thurs 26th 8pm Sat 28th 5pm**

DIRECTOR Stephen Frears
CAST Judi Dench, Ali Fazal, Eddie Izzard, Tim Pigott-Smith
SCREEN TEST Focusing on real events in Queen Victoria's later years, Frears (*The Queen, Philomena*) deftly weaves the tale of a remarkable friendship – that between the monarch and Abdul Karim, a young clerk who came from India to celebrate the Golden Jubilee. Despite palace interference, the two form a convivial bond as an ageing Victoria sees a changing world through new eyes. It is fascinating to see Dench reprising her role as Queen Victoria in a story with similarities to the one told in *Mrs Brown*. (2017 UK/USA 106 mins)

DIRECTOR Luis Buñuel
CAST Catherine Deneuve, Jean Sorel, Michel Piccoli, Geneviève Page
SCREEN TEST Bored housewife Séverine (Deneuve), in love with but sexually remote from her surgeon husband, starts spending her afternoons at a high-class brothel. But the jealous desire she arouses in some clients means her anonymity and marriage are soon at risk. True to his surrealist roots, Buñuel blurs the distinction between 'reality' and Séverine's masochistic fantasies; he also eschews sensationalism, opting instead for subtly ambiguous details. A masterpiece. (1967 Fr/It 100 mins Subtitled)

DIRECTOR Taylor Sheridan

CAST Elizabeth Olsen, Jeremy Renner, Marti Sensmeier, Julia Jones

SCREEN TEST In this powerful crime drama, an inexperienced FBI agent (Olsen) teams up with a local game tracker with a haunted past (Renner) to investigate the murder of a girl on a Native American reservation. Beautifully shot in a bleak and snowy Wyoming, this is a stark look at life in the wilderness where the rule of law is eclipsed by the rule of nature. DIRECTOR Philippe Van Leeuw

CAST Hiam Abbass, Diamand Bou Abboud, Juliette Navis, Mohsen Abbas

SCREEN TEST In this gripping, Syria-set war drama a mother-of-three is confined inside her flat in a city under siege, taking refuge with her family and neighbours. But as bombs threaten to destroy the building, snipers turn the courtyards into killing zones and men break in to steal and threaten violence, war inevitably infiltrates the flat. What must be done to survive the repetitive, senseless violence of war – not just physically, but morally and emotionally – is at the heart of this important, resonant and tragically still timely film.
