

Visit to Saffron Screen to see
Missing Link

On Monday 15 April, I am going to Saffron Screen:

I am visiting Saffron Screen to see *Missing Link*:

This film is about Sir Lionel Frost who goes off in search of the legendary Missing Link. When he encounters Mr Link, a slightly silly and soulful beast, the pair go in search of Link's distant relatives, accompanied by the resourceful Adelina Fortnight who possesses a vital map

I may want to see some photos of the film, or the trailer before my visit. I can do this by visiting the film website: <https://www.missinglink.movie/>

When I arrive at Saffron Screen, I will go to the Box Office. This is where I will collect my ticket, if I haven't already picked it up:

I will then go through to the auditorium:

Here, I can buy something to eat or drink before the film starts, if I want to:

There are toilets at Saffron Screen, if I need them during my visit:

When I am ready, I can find a seat for the film.

The film will start at 2pm, and will finish at 3.34pm.

There is a clock in the auditorium so I can always check the time if I want to.
